Rrhoover90@gmail.com 

Seeking a diesel mechanic position to build upon existing vehicle maintenance skills and develop a solid background in the diesel industry. From 2019 to present, I have been serving as a homemaker, but I look forward to getting back into the diesel workforce in the Holbrook, Arizona area.

Experience

2012—2019

Shop Assistant/Keystone Hauling

Assisted with all shop needs, including tying down cargo, loading and unloading, repairs and maintenance on various trucks and trailers. I co-owned this business with my husband, so I gained several years of experience helping to run a successful trucking company.

2010—2012

Cook & Waitress/Aunt Barbies

Responsible for filling orders according to customer satisfaction, prep work, and cooking. Maintained a safe and clean work environment in the kitchen and throughout the restaurant. Responsible for serving customers, cash handling, etc. Cleaned and maintained various kitchen equipment and machinery. Sometimes responsible for bank deposits for the business.

Skills

Experience working on Cummins and Detroit engines • Accurately perform pre- and post-trip inspections • Safely operate a vehicle and tie down cargo • Comply with all DOT regulations • Brakes, Emissions, Diagnostics, Electrical, PMI, Fuel Systems, A/C Systems, Transmission, Driveline, and more • Problem solve/logistics to avoid disruptions in transportation • Skilled in customer service

Education

JULY 2020

Diesel Technology/Penn Foster Career School

Career Diploma earned

FEBRUARY 2021

Diesel Technician & Mechanic/American Diesel Training Centers

- Selective program designed to supply industry with vetted, high character, proficiently trained technicians.
- Introduction for entry level preventative maintenance technicians.
- Hands on intensive program focusing on PMI, electrical, diagnostics, brakes, and emissions.
